Finance and Performance

*Group Budget and Financial Plan 2018/19*

The Board received the 2018/19 Budget, which was taken as read, and the CFO provided an overview of the key points. The Board noted that, following challenge at the previous meeting, the budget surplus had been reduced to £500k, to allow for a Group contingency of £400k; this would still ensure an ESFA rating of 'good'. The CFO advised the Board that exceptional income anticipated from the Saudi Partnership and the disposal of the Bicester campus was excluded from the budget. The Board briefly considered approval process for the Bicester campus disposal.

against a context of significant change and the risk of a post-Ofsted 'slump'. The Board agreed that it would be helpful to show achievement against national averages, which would be available in the following year. Having considered the breakdown of levels of embedding English and Maths in the faculties, the Board agreed that there should be a specific focus on English and Maths.

*2018/19 Improvement Plan*

The Board received the 2018-19 Improvement Plan and noted that, despite setting targets slightly lower than the targets set within the 2021 plan, the trajectory remained set to achieve the 2021 target (achievement rates within the top 10% of colleges nationally). The Board agreed that yearly targets should flex within the confines of the 2021 end targets. The Board considered whether the targets were achievable, and were assured of the DCEO's confidence in the targets and reminded of the need to remain ambitious for the sake of learners.

The Board noted the significant year on year improvement predicted for in Timely
